## WEST HAVEN GOLF & COUNTRY CLUB

### AODA Policy

#### **Providing goods, services or facilities to people with disabilities**

West Haven Golf & CC is committed to meeting its current and ongoing obligations under the Ontario Human Rights Code respecting non-discrimination.

West Haven Golf & CC understands that obligations under the *Accessibility for Ontarians with Disabilities Act, 2005 (AODA)* and its accessibility standards do not substitute or limit its obligations under the Ontario Human Rights Code or obligations to people with disabilities under any other law.

West Haven Golf & CC is committed to complying with both the *Ontario Human Rights Code* and the *AODA*.

West Haven Golf & CC is committed to excellence in serving all customers including people with disabilities.

Our accessible customer service policies are consistent with the principles of independence, dignity, integration and equality of opportunity for people with disabilities.

#### **Assistive devices**

People with disabilities may use their personal assistive devices when accessing our goods, services or facilities.

In cases where the assistive device presents a significant and unavoidable health or safety concern or may not be permitted for other reasons, other measures will be used to ensure the person with a disability can access our goods, services or facilities.

We will ensure that our staff are trained and familiar with various assistive devices we have on site or that we provide that may be used by customers with disabilities while accessing our goods, services or facilities.

#### **Communication**

We will communicate with people with disabilities in ways that take into account their disability.

This may include the following:

Written, Verbal and/or Device Assisted Communication

We will work with the person with a disability to determine what method of communication works for them.

#### **Service animals**

We welcome people with disabilities and their service animals. Service animals are allowed on the parts of our premises that are open to the public.

When we cannot easily identify that an animal is a service animal, our staff may ask a person to provide documentation (template, letter or form) from a regulated health professional that confirms the person needs the service animal for reasons relating to their disability.

A service animal can be easily identified through visual indicators, such as when it wears a harness or a vest, or when it helps the person perform certain tasks.

A regulated health professional is defined as a member of one of the following colleges:

- College of Audiologists and Speech-Language Pathologists of Ontario
- College of Chiropractors of Ontario

- College of Optometrists of Ontario
- College of Physicians and Surgeons of Ontario
- College of Physiotherapists of Ontario
- College of Psychologists of Ontario
- College of Registered Psychotherapists and Registered Mental Health Therapists of Ontario

If service animals are prohibited by another law, we will do the following to ensure people with disabilities can access our goods, services or facilities:

- explain why the animal is excluded
- discuss with the customer another way of providing goods, services or facilities
